Manufacturer Certification Statement for Qualified Energy Property

The Tax Relief, Unemployment Insurance Re-Authorization and Job Creation Act of 2010 signed into law Dec 17, 2010 by President Obama, includes an amendment to Section 25C of the existing Internal Revenue Code. The amendment allows tax credits for the energy efficiency improvements to an existing home including Gas Fired Hot Water Boilers placed into operation in 2011.

Please retain a copy of this “Manufacturer Certification Statement” with your sales receipt for tax purposes.

The following Bosch / Buderus brand heating boilers qualify for the Energy Conservation incentives included with the aforementioned Bill.

Tax Credit – Up to 10% for qualifying home improvements placed into service between January 1, 2011 and extended through December 31, 2016. The aggregate amount of the credits allowed to any taxpayer shall not exceed \$500.00. The credit for a single boiler is \$150.00.

Residential Gas Boilers (by model # and % AFUE) – Natural Gas & Propane Gas Models
