

Logalux KS0105 | KS0110 | KS0120 Solar Pump Station

2-Year Limited Warranty

Subject to the terms and conditions set forth below, Bosch Thermotechnology Corporation, Londonderry, New Hampshire ("BTC") hereby extends the following limited warranties to the original residential retail purchaser of its Buderus KS0105, KS0110, or KS0120 Solar Pump Station ("Solar Pump Station").

Limited Warranty for Buderus Logalux KS0105, KS0110, or KS0120 Solar Pump Station

BTC warrants to the original residential retail purchaser of a Buderus Solar Pump Station that the Solar Pump Station be free of defects in material and workmanship, provided proper and regular maintenance is carried out by a qualified heating contractor and provided, further, that the other conditions of this warranty are satisfied. This warranty extends only to the first residential retail purchaser of the Solar Pump Station and only while the Solar Pump Station is owned by that purchaser and remains at its original installation site. Change in ownership or relocation of the Solar Pump Station shall forthwith terminate this warranty without further notice. Provided that this warranty has not otherwise been terminated, voided or reduced, if BTC determines that the Solar Pump Station is defective as a result of a defect in workmanship or materials, BTC will replace the defective Solar Pump Station as it finds necessary in accordance with BTC then applicable warranty service procedures.

General Terms and Conditions

This warranty is subject to the conditions that the Solar Pump Station must have been installed, maintained and repaired by a heating contractor whose principal occupation is the sale and installation of plumbing, heating and/or, air conditioning equipment and that installation, maintenance and repair were performed in accordance with Buderus installation and engineering manuals. This warranty extends only to the first residential retail purchaser of the Solar Pump Station and only while the Solar Pump Station is owned by that purchaser and remains at its original installation site in the United States or Canada. Change in ownership or relocation of the Solar Pump Station shall terminate this warranty without further notice.

This warranty does not cover:

1. Components or parts that are part of the domestic hot water system but were not provided by BTC as a part of the Solar Pump Station.
2. The workmanship of any installer. BTC disclaims and does not assume any liability of any nature for unsatisfactory performance caused by improper installation.
3. Any costs for labor for removal and reinstallation of the alleged defective component or part, transportation to BTC, if necessary, and any materials necessary to perform the repair or replacement.
4. Any conditions resulting from the introduction of harmful chemicals, caustic fluids, or liquids detrimental to copper tubing, including improperly applied or maintained heat transfer fluids or chlorinated pool or spa water.
5. Damage to the Solar Pump Station or any of its original components or parts caused by excessive temperatures or pressures, fuel or gas explosion, electrochemical reaction, water and air impurities, electrical failures, riots, insurrection or acts of God.
6. Any Solar Pump Station that has a failure or malfunction resulting from improper or negligent operation, accident, abuse, freezing, misuse, unauthorized alteration or improper repair or maintenance.
7. Any Solar Pump Station operated with non approved anti-freeze agents.
8. Any applications other than medium temperature (110 – 180 °F) water heating.

IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY SHALL BE LIMITED TO THE DURATION OF THE EXPRESS WARRANTY SET FORTH ABOVE. WITH THE EXCEPTION OF ANY WARRANTIES IMPLIED BY STATE LAW, AS HEREBY LIMITED, THE FOREGOING EXPRESS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, GUARANTIES, AGREEMENTS, AND SIMILAR OBLIGATIONS OF BTC WITH RESPECT TO THE REPAIR OBLIGATIONS OF BTC WITH RESPECT TO THE REPAIR OR REPLACEMENT OF THE SOLAR PUMP STATION OR ANY COMPONENT OR PART OF THE SOLAR PUMP STATION ITSELF. BTC EXPRESSLY DISCLAIMS AND EXCLUDES ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE OR SPECIAL DAMAGES OF ANY KIND FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, INJURY OR DAMAGE TO PERSONS OR PROPERTY OR DAMAGES FOR LOSS OF USE, INCONVENIENCE OR LOSS OF TIME. BTC NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR BTC ANY LIABILITY OTHER THAN THE LIMITED LIABILITY SET FORTH HEREIN.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations and exclusions may not apply to you.

If you are the first purchaser at retail, and the current owner, of the Solar Pump Station that is still located at the site of its original installation, and you think you are entitled to service under the foregoing warranty you should follow the following procedure:

1. Notify the heating contractor who installed your Solar Pump Station and ask that the contractor notify the distributor from whom the contractor purchased the Solar Pump Station.
2. If this action is not possible or does not result in warranty service, contact:

Bosch Thermotechnology Corporation
Warranty Service
50 Wentworth Ave.
Londonderry, NH 03053

To support the warranty claim, include the following:

- a. A copy of your original invoice or other proof of purchase
 - b. Original installation date
 - c. Location
 - d. Serial number of the Solar Pump Station
3. The alleged defective components or parts must be returned to BTC through trade channels in accordance with BTC's procedure then in force for handling goods returned for the purpose of inspection to determine cause of failure.
 4. If BTC determines that the returned components and/or parts are defective and that this warranty applies, BTC will furnish the repaired or replacement components and/or parts to an authorized Buderus distributor who, in turn, will forward the components and/or parts to the heating contractor who installed your Solar Pump Station.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
